

Camp HSS 2021

For School Children, Standard 8-12

Who should participate ?

Camp HSS is open to students in Standards 8-12 with an insatiable curiosity.

Why do you love the taste of a particular chocolate brand and the sight of a specific color? What is the possible setting in which a 75 out of 100 in an exam may feel better than a 90? What are the probable thoughts going on in the mind of a batsman when he has to score a 6 in the last ball to win the match? Why is it about the history and culture of certain countries that make them more likely to prosper than others? What can one do about the inequalities, conflicts, and environmental hazards that the world is undergoing? Why is it so that boys are brave saviors in almost all fairy tales, whereas girls are portrayed as distressed and cannot save themselves? Discover the intricacies of your gender, body, creativity, origins of thinking, and several other aspects of human intellectual and social life through various interactive sessions and talks.

Begin your transformation as a thinker and influencer with Camp HSS. A group of scholars is eager to engage with you to share the pleasures of exploring intriguing and exciting topics in Humanities and Social Sciences.

Camp HSS introduces the fascinating world of HSS and how it is interlinked with your personal and professional development. Develop critical, reflective, and logical thinking, empathy, and creativity. Be empowered with a global and interdisciplinary outlook and the argumentative and communication skills to express the new you. Future-ready, forever.
